In addition, the prior art fail to teach or suggest, individually or in combination of a peer server listens for a broadcast response packet over the network for a randomly generated delay response period prior to the responding within the environment of the independent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
